

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION**

ROCKWELL AUTOMATION  
TECHNOLOGIES, INC.,

*Plaintiff,*

v.

SECURE CROSSING RESEARCH  
AND DEVELOPMENT INC.,

*Defendant.*

Case No. 2:12-cv-10274-GCS-MKM

Honorable George Caram Steeh  
Magistrate Mona K. Majzoub

**SUPPLEMENTAL NOTICE TO COURT**

On February 4, 2013, Plaintiff Rockwell Automation Technologies, Inc. notified the Court (Docket No. 77) that the parties had been unable to reach an agreement on a Stipulated Protective Order, which was the subject of the Court's February 1, 2013 Order. Concurrent with that Notice, Plaintiff submitted a proposed Protective Order for the Court's review (and which the Court entered at Docket No. 80 on today's date). Subsequent to the filing of Plaintiff's Notice, Defendant Secure Crossing filed a Notice (Docket No. 78) in which, among other things, it questioned the conduct of counsel for Plaintiff during the negotiation of the Protective Order draft. Plaintiff objects to and disputes Defendant's characterization of what took place during the negotiations and is available, at the Court's convenience, to discuss the matter. Relatedly, while the Court's Protective Order at Docket No. 80 may address certain of Defendant's concerns raised in Defendant's Motion to Quash (Docket No. 68) and Motion for a Protective Order (Docket No. 50), Plaintiff believes the Court's intervention and assistance is still required for resolution of Plaintiff's Motion to Compel (Docket No. 43).

Dated: February 5, 2013
